**CalWORKs WELFARE-TO-WORK
MONTHLY ACTIVITY REPORT
TWO-PARENT SEPARATE STATE PROGRAM
WTW 25A (1/02)**

INSTRUCTIONS

CONTENT

Effective October 1, 1999 two-parent families were placed in a separate state program. The state requires information specific to the Two-Parent Separate State Program (SSP). Therefore, the data elements on the WTW 25A mirror those on the WTW 25, which collects data on other welfare-to-work participants.

There is no change to welfare-to-work or work participation requirements for the Two Parent SSP.

The monthly WTW 25A report contains statistical information on individuals in two-parent families who are enrolled in mandatory WTW employment-preparation activities. It also includes those enrollees who have been exempted from these employment requirements, those who have been sanctioned for failure to comply with the mandates, and those who have been terminated from employment components due to time limits and due to employment obtained during the month.

PURPOSE

This report provides county, state and federal entities with information needed for budgeting, staffing, program planning, and other purposes.

Two-parent families are assistance units (AUs) that include two, aided non-disabled, natural or adoptive parents of the same aided or SSI/SSP minor child (living in the home), unless both parents are aided minors and neither is the head-of-household. For purpose of this definition:

- The disability determination for a parent is based on the definition of incapacity in Manual of Policies and Procedures (MPP) Section 41-430.
- A minor parent is not considered a head-of-household when aided as a child.

All cases that meet this specific Two-Parent AU definition should be identified and assigned aid code “35” (or the specialty aid codes 3M or 3U for legal immigrant) for the new separate state program.

To ease case management and to ensure accuracy of Two-Parent SSP reporting, parent(s) in this two-parent caseload who are sanctioned for failure to comply with CalWORKs work requirements will remain coded as a Two-Parent AU and will NOT be transferred at anytime, including the first three months of sanction, to the Zero Parent (child-only) AU or the All (Other) Families AU caseload.
